✧ E-Poster Guidelines:

- * All posters should be a visual presentation of your submitted abstract.
- * Please prepare a poster in a **single-slide PDF** file as per the sample e-poster available for download at <http://2023.apaophth.org/guidelines-for-presenters/>.
- * Font size is specified in the sample e-poster. Choose Arial or a font that can be read clearly at a distance. Put light-colored fonts on dark backgrounds or vice versa so that viewers can see the text clearly.
- * Tables should be simple and easy to follow. The minimum font size for data in tables is 10 points. All graphs and tables must be embedded in your file.
- * The legend of a figure should appear below the figure.
- * Do not insert or embed any videos in your presentation.
- * Remember, overcrowding a poster slide makes it difficult to read. Please help your readers by providing clear labels or headings for each section of your presentation.
- * Please include eight pertinent references at most.
- * Please ensure that you have the permission to use any images you include in the e-poster. This includes a license for copyrighted materials and consent forms from patients who are recognizable in photographs or images.
- * Financial interest, if any, must be disclosed and included in the poster. Presentations made at the Congress must not be used to promote a commercial product.
- * Please upload your e-poster slide to the APAO Congress system at <http://congress.apaophth.org/> using your Congress login/APAO ID login details **by February 5, 2023**.

✧ E-Poster Presentation:

- * All presenters may prepare an audio recording (if any, max length: 3 minutes) to accompany their poster presentation. The recording should be uploaded to the APAO Congress system at <http://congress.apaophth.org/> **by 11:59pm (GMT + 8) on February 5, 2023** using Congress login/APAO ID login details.
- * A QR code, which will be displayed on each poster, can be downloaded from the **Congress system**. Please insert your recording into your e-poster file. Viewers will be directed to a link where they can hear the recording prepared by the poster presenter when the QR code is scanned.

- * The presenter will be given a 'program participant' ribbon that he/she can attach to the delegate badge to recognize his/her participation in the submitted program.
- * Your e-poster can also be displayed in the Congress app if it is converted to a PDF file and uploaded to the system along with the recording (if any).

✧ **Submission Deadline:**

- * All files must be submitted by 11:59pm (GMT + 8) on **February 5, 2023**. Authors can also submit the e-poster slide only, without the recording
- * Failure to upload the e-poster slide by the above deadline will be considered last-minute withdrawal. Last-minute withdrawal will lead to deduction of the credited achievement award point from the registration accounts of ALL authors. An additional point will also be deducted from the account of the first author.
